

TOTAL VALUE \$263.3 million

At Basin Electric's Annual Meeting on Nov. 9, 2022, the board of directors announced its additional commitment to return value to the membership. This announcement included additional patronage capital credits of \$37.1 million and a bill credit of \$100 million, which will be returned on the November 2022 bills that will be sent out in December. This brings the total value returned to the membership since November 2021 to over \$263 million in the form of patronage retirements, bill credits, and rate reductions.
